

ARMA NOVA Chapter Webinar

Tuesday, October 24th, Noon – 1:00 PM ET

ASK THE EXPERTS! WHAT'S NEXT FOR NARA RECORDS RULES AND REGULATIONS?

With the NARA Policy and Standards Team of Experts

With the latest NARA strategic initiatives including the regulations for digitization standards for permanent records and the OMB/NARA memoranda on the transition to all-digital government (M-19-21 and M-23-07), the NARA team who develop and support these regulations will be giving us the latest update and readout of the changes and support for agencies. They will also provide a quick look at what's coming in future updates. We'll wrap up with a live Q&A session

The Policy and Standards Team in NARA's Office of the Chief Records Officer is responsible for developing electronic records management regulations, policies, and guidance for all Federal agencies. Our presenters are Policy Analysts Kevin De Vorsey, Michael Horsley, Andy Potter, and John Martinez.
