Northern Virginia Chapter ARMA NOVA
Building Success Through Relationships

WINES 101 CLASS

Speaker: Brent Kroll, Sommelier, Maxwell Park DC Wines

Is wine a challenge or a delight? Why not join our end of day virtual session, with fellow ARMA chapter members, family and friends, to listen, sip and learn from an expert sommelier. Leave both refreshed and more informed on the fundamentals and options of wine, and what suits you best.

Those familiar with Brent and his approachable, sophisticated style, obvious passion for and knowledge of wine, will recognize his influence at Maxwell, where you're most likely to find him behind the bar.

Most recently, Brent was named a 2018 Food & Wine Sommelier of the Year. He has been featured in The Wall Street Journal, Washingtonian, The Washington Post, Wine & Spirits, Wine Enthusiast, Wine Spectator and more, and was named a Rising Star by StarChefs.com in 2014.

This session's Wine 101 class will take you through the basics of how wine is made, why vintage and weather variation is important, and how to describe wines in terms of fruit and non-fruit flavors along with a guided tasting of 4 wines (1 white, 1 rose, and 2 reds).

Maxwell Park DC Wines offers these class wines that can be purchased in two formats:

• as individual bottles for 30% off to-go - participants have the option to buy 1, 2, 3, or all 4 bottles

• as a kit of 4 x 5oz vials of each wine priced at $40/kit (plus tax and optional gratuity)

- They are poured from opened bottles and therefore spoilage is a more time sensitive concern
- Please note that for this reason, the kit of vials cannot be shipped outside of the DMV.
- Also note that for this reason, the kit of vials will not be available for pickup or delivery until 2-days prior to the event.

Please sign-up soon for the class. Then the sommelier will provide the specific wines to purchase including the above purchase options from Maxwell Wines in the DMV area. These include:

- Free pickup. Free delivery if they spend $100 with us. $10 delivery if in the DMV with close enough proximity. $20 to have the wine shipped.

There's No cost to register for the session but you will have your own wine-buying costs (above).

Date: Wednesday, December 9, 2020

Register via ARMA NOVA at https://arma-nova.org/meetinginfo.php?id=71&ts=1605638575. Registrants will be contacted directly by the Sommelier with list of wines to purchase and the class Zoom link. The webinar will not be recorded – you must be present to participate!
